Suitable for beginners to intermediates- integrated class. This is a general art class that covers drawing, pastels, painting skills & techniques in water colour, acrylics & oils.

MATERIALS INCLUDED FOR YOUR FIRST 4 WEEKLY SESSIONS. This gives you the opportunity to explore before you buy your own. If you prefer to use FFAF materials then a small sub will be charged. In learning these skills over time you will be able to continue perfecting them on your own project and decide which art medium suits your style and continue to create wonderful pictures within the art group. A list of requirements for our classes is on our website and can be purchased from us if you wish.
